

Columbian Squires Illinois State Circle

Illinois State Circle - 507 Hickory St. PO Box 204, Evansville, IL 62242-0204

ILLINOIS STATE CHIEF SQUIRE
David Toennies
Breese Circle 3115

Kicking Off Another Exciting Year For The Columbian Squires!

Fraternal year 2009-2010 is in full swing. Everyone has settled comfortably in School, fall sports continue to intensify and the Columbian Squires continue our forward push to being the Catholic Organization to belong to. The Columbian Squires have a deep history not just nationally but in Illinois. Our first State Chief Squire was elected in 1975 and the State Circle along with local Circles have remained strong and growing over all these many years. The 2009-2010 State Team continues that tradition of being elected from local circles to serve at the State Level for one purpose — to provide activities bringing together the circles from throughout this vast state.

This mailing is intended to introduce you to those members of the state team and yes — offer their help in anyway that they can to make your circle stay strong and growing. One of the responsibilities of the State team is to organize activities that you can participate in. On behalf of the State Team I hope you consider attending one of the activities. We would really like to get to know you better!

Deacon Steven M. Pautler
State Squires Team

ILLINOIS STATE CIRCLE TEAM State Columbian Squires Chairman Dan Ashbaker, State Deputy Chief Squire Wade Reeves, State Notary Squire Zachary Moreland, State Marshal Squire Tyler Boland, State Chief Squire David Toennies, State Bursar Lucas Essenpreis, State Associate Chaplain and State Father Prior, Father Chuck Tuttle.

During the 2008-09 Illinois State Columbian Squires Convention held at the Hilton Hotel in Springfield those Squires present were on their feet, jumping, cheering and having a great time with the Musical Ministry of "Oddwalk". The Convention is the highlight of the Columbian Squires year and all Circles are encouraged to be represented!

What Happens At The Convention?

Let start right off, attending Convention takes a financial commitment. There are travel expenses, overnight expenses, food expenses. The goal of the State Team is to keep the expenses as low as possible. We truly want all Circles to attend. Convention is usually held in late March or early April. This year Convention is tentatively scheduled for April 16 - 18, 2010. More information will be sent as we get closer. Convention provides Squires, Counsellors opportunities for prayer, fun, workshops, sharing with other circles, and the election of the State Team for the coming year. Please start making plans now to attend the 2010 Illinois State Circle Convention.

After many years of attempting to organize a "Summer Bash" it happened this past summer. Through the efforts of State Sentry Nick Ashbaker and State Notary Zack Moreland Squires, Counselors and Knights joined together for a day of fun in Carlyle, Illinois. The day included boating, games, good food and the celebration of Holy Mass.

Meet the 2009 -2010 Illinois State Circle Team
